Beginning October 1, 2006 Health Plan of Michigan (HPM) will issue white plastic membership cards to all members enrolled in our plan. These cards are designed to replace the HPM paper cards previously distributed.

The HPM Membership card will be in addition to the green MI Health card provided by the Michigan Department of Community Health. If you should have any questions, please feel free to contact HPM at 1-888-773-2647.
