

Health Plan of Michigan OB Incentive Program

Health Plan of Michigan, Inc. (HPM) has developed a pay for performance program for our contracted Obstetrical Providers. This exciting program has been designed to reward contracted physicians with a higher reimbursement rate for prenatal and postpartum care delivered within HEDIS guidelines.

All HPM contracted physicians providing obstetrical care are eligible for the bonus. Bonus amounts are listed in the table below.

CPT Codes	Bonus	HEDIS Standard
59425	\$100.00	Visit Must be Performed in the first trimester or within 43 days of enrollment if already pregnant at the time of enrollment
59426	\$200.00	
59430	\$100.00	Postpartum Care visit must be on or between 21 days and 56 days after delivery

Claims received for dates of service after January 1, 2009 will be eligible. Please bill Prenatal, Delivery, and Post-Partum visits separately. The LMP and EDC must be included on the claim as well as the dates of the OB visits. The Obstetrical performance bonus will be included with your weekly claim payments from HPM. All bonuses paid will be designated on the remittance advice.

If you should have any questions regarding this new program, please contact the HPM Provider Service Department at 1-888-773-2647.
